

## LOYALTY

Leaders must deal with loyalty issues often. Whether people are turning on each other in the group, forming alliances that ostracize one or more people, gossiping behind other people's backs, or quitting all together, loyalty problems are problems for everyone involved. Below, provide your insight into how you would cope with these issues in a positive, decisive manner.

### Loyalty Dilemmas

(1) Someone in the group is repeatedly challenging and questioning your ability to lead in front of others. What is your course of action? \_\_\_\_\_
